

# Latex beamer: A new template

Michel TheMan  
September 19, 2018

# Table of contents

- Introduction
  - Introduction
- Introduction2

# Introduction

# Itemize

- Here you can see an itemization
  - ◆ Why would you want subitems, I don't know. Diamonds are ugly but the point is that you can do whatever
    - The items are below each other

# Enumerate

1. Here you can see an enumeration
2. It has items
3. The items are numbered

# Introduction2

# Plain frame with title

# Michel TheMan
